Making Social Security Easier to Access

Bringing More Workers Within the Framework

As economies evolve, employment patterns and sources of livelihood continue to change. The expansion of informal, gig and platform-based work, along with variations in income and employment continuity, makes social security increasingly important for workers and their families. Social security provides protection against income loss and other contingencies across different stages of life. It also strengthens financial security during retirement and periods of vulnerability.

India has significantly expanded the reach of social protection in recent years. Social protection coverage increased from 19% in 2015 to 68.4% in 2026. This expansion has brought more than one billion people within the social protection framework.

For Indian workers, social security provides financial security beyond their working years. The Employees' Provident Fund Organisation (EPFO) plays an important role by administering provident fund, pension and insurance schemes for eligible workers. It is a statutory body under the Ministry of Labour and Employment and one of the world's largest social security institutions. Its schemes help workers build retirement savings, access pension benefits and secure financial support for their families.

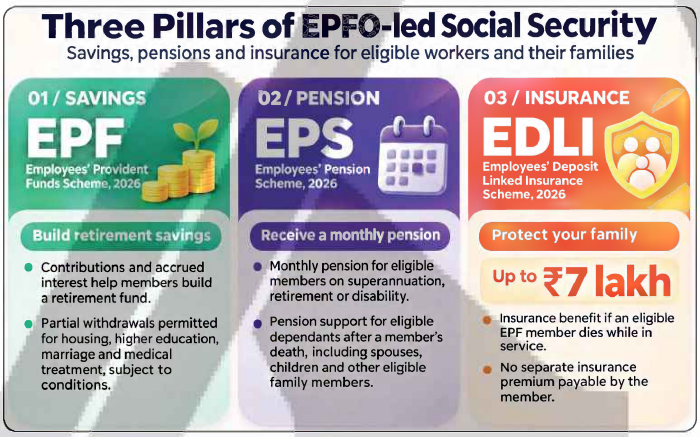

Expanding EPFO Coverage Across the Workforce

Over the years, EPFO has expanded its reach alongside India's growing formal workforce. Its progress is reflected in wider membership, institutional coverage and pension support.

EPFO's contributing membership has increased significantly over the period. Contributing members rose from 3.49 crore in 2014-15 to approximately 7.98 crore (as on 16 September, 2026). This represents an increase of approximately 4.49 crore contributing members over the period. As of September 2026, 7.68 lakh establishments are contributing to EPFO. This provides a broad institutional base for extending social security coverage to eligible workers.

Pension support has expanded alongside membership. EPFO paid pensions to 51.04 lakh pensioners during 2014-15. As of September 2026, around 82 lakh pensioners are receiving pension benefits. This represents an increase of over 31 lakh pensioners.

The scale of social security benefits has also grown substantially. EPFO has settled 1.30 crore claims during 2014-15. In the last one-year period (as of October, 2026), EPFO settled 6.42 crore claims. This reflects the increasing scale of services delivered to EPFO members and beneficiaries.

Strengthening EPFO through Digital and Service Reforms

EPFO is strengthening social security delivery through wider coverage, simplified claim settlement and digitalisation. Reforms also focus on improving compliance, reducing administrative procedures and facilitating access to provident fund and pension services.

Wage Ceiling Revision

Extending Coverage: The wage ceiling for mandatory EPFO coverage was last revised in September 2014, from Rs. 6,500 to Rs. 15,000 per month. In September 2026, a further increase to Rs. 25,000 per month was approved. The revision is expected to extend mandatory coverage to over 51 lakh additional employees. It reflects changes in wage levels and the expansion of formal employment over the intervening period. The revised ceiling broadens the pool of employees eligible for mandatory coverage, subject to applicable statutory provisions.

Simplified Partial Withdrawal Rules: EPFO has consolidated 13 provisions governing partial withdrawals into three categories: Essential Needs, Housing Needs and Special Circumstances. Essential Needs cover expenses related to illness, education and marriage. This categorisation simplifies the withdrawal framework, facilitating easier access to provident fund savings for eligible members.

Liberalised Withdrawal Limits: Employees can make partial withdrawals from their PF savings to meet specific financial needs during their working years. This enables them to attend to financial needs without withdrawing the entire accumulated balance.

EPFO has simplified these provisions by allowing up to 10 withdrawals for education and 5 for marriage. Earlier, both purposes shared a combined limit of 3 partial withdrawals. The revised framework, introduced in October 2025 also permits eligible members to withdraw up to 75% of their PF balance. This includes employee and employer contributions, subject to applicable conditions. The minimum service requirement has been standardised at 12 months.

Automated Claim Settlement: EPFO increased the auto-settlement limit for eligible advance claims to Rs. 5 lakh. This enables faster processing of eligible withdrawals without manual intervention.

Simplified Bank Verification: EPFO removed the requirement to upload cheque-leaf images or attested bank passbooks for eligible online claims. This reduces the paperwork and simplifies the claim process.

Strengthening Compliance and Ease of Doing Business

VISHWAS, 2026: The scheme facilitates one-time settlement of eligible disputes involving damages or penalties under the EPF & Miscellaneous Provisions Act, 1952, and the Code on Social Security, 2020. It reduces litigation and encourages voluntary compliance through a digital, time-bound process. The scheme covers cases involving challenged damage or penalty orders, pending or partial recovery, issued notices awaiting final orders, and cases where notices are yet to be issued.

- Eligible pre-14 June 2024 defaults attract reduced monthly damage rates of 0.25%, 0.50% or 1%, depending on the delay period.
- Employers must pay applicable statutory interest and undertake not to pursue further appeals on settled disputes.
- The scheme covers cases at different stages, subject to exclusions for fraud, misappropriation, deliberate falsification and fully recovered damages. Applications are submitted online through the EPFO Employer Portal.

AMNESTY, 2026: It is a one-time scheme launched by the EPFO to help establishments regularise their provident fund PF trusts. It covers trusts recognised under the Income Tax Act, 1961, but lacking formal exemption under the EPF & MP Act, 1952, or the Code on Social Security, 2020. The scheme is open until 28 December 2026.

- Eligible establishments can obtain exemption retrospectively, from the trust's establishment up to the prescribed cut-off date. The scheme also waives specified minimum employee strength and fund requirements.

Making Social Security Easier to...

- Eligible trusts must have deposited statutory contributions and credited interest to members' accounts at rates equal to or higher than the applicable EPF rate. Subject to these conditions, proceedings initiated solely because the formal exemption was missing will be withdrawn, and no new proceedings will be initiated on this ground.

Doorstep Digital Life Certificate Services: EPFO has partnered with India Post Payments Bank (IPPB) to provide doorstep Digital Life Certificate services to EPS pensioners. EPFO bears the cost of Rs. 50 per certificate, making the service free for pensioners. The initiative particularly benefits elderly pensioners in rural and remote areas. It supports timely pension continuity, faster initiation of family pensions and improved accuracy under CPPS.

Simplifying Registration with Digital Access

Automatic Registration: Since February 2020, eligible public and private limited companies and One Person Companies can avail the facility of automatic EPFO registration through the Ministry of Corporate Affairs portal. This facility operates through the SPICe+ and AGILE-PRO forms. This form combines various services like PAN/TAN/ Director Identification Number/GSTN, etc.

Self-Generation of Universal Account Numbers (UAN): Since November 2019, workers have been able to generate their UAN independently. This facility supports enrolment in EPFO's social-security schemes. In April 2025, EPFO introduced UAN generation and activation through Aadhaar-based Face Authentication Technology. Available through the UMANG mobile application, this facility enables contactless and secure digital access. As of October 2026, 1.74 crore self-generated UAN have been reported. In addition to this, EPFO transactions on the Umang Application since January 2017 till 21 October are ~ 709 crore, reflecting the scale of digital access to EPFO services.

Simplified Aadhaar Seeding: Since August 2025, EPFO members have been able to seed or correct Aadhaar details through the UAN Member Portal. Employers can approve requests directly when Aadhaar and UAN profile details match. Mismatched details can be referred online to the EPFO office for rectification. If the employer is unavailable, members can seek assistance through the concerned EPFO office's Public Relations Officer.

Digital Transformation of EPFO Services

Centralised Pension Payment System (CPPS): CPPS enables pension disbursement through any bank branch across India. Pensioners can receive their pensions without transferring Pension Payment Orders (PPOs) between offices when changing locations or bank branches. This benefits specially the pensioners who move to their hometown after retirement. In addition, the system also supports pensioners by reducing the need to visit the branch for any verification at the time of commencement of pension.

Redesigned EPFO Website: On 1 November 2025, EPFO launched its redesigned website at **epfo.gov.in**. The mobile-responsive portal provides a unified interface for employees, employers and pensioners. It offers easier access to passbooks, claim forms, pension services, profile updates and scheme information. Separate **login options and the "EPFO and You"** section help users locate services quickly. YouTube videos explain services such as checking PF balances, applying for advances, submitting pension applications, filing Electronic Challan-cum-Returns (ECR), registering establishments and activating UANs. The shorter domain and improved navigation simplify access across devices.

EPFO 3.0 - Core Banking-Based Transformation: EPFO 3.0 modernises services through industry-standard core banking capabilities.

- It integrates a core banking solution with cloud-native, API-first and microservices-based modules for account management, enterprise resource planning, compliance and customer services. Its phased implementation is designed to ensure secure, scalable and uninterrupted services.
- **The initiative reduces paperwork, accelerates claims and provides a unified platform for member services.**
- Risk-validated claims are designed for automatic processing without manual intervention, potentially reducing settlement time from up to 20 days to under 3 days.
- Planned capabilities include instant withdrawals, multilingual self-service and seamless payroll-linked contributions. The framework is intended to support EPFO's services for over 30 crore members.

Beyond EPFO: India's Wider Social-Security Framework

India's social security framework extends beyond EPFO through multiple schemes and institutional mechanisms supporting vulnerable groups and workers across employment categories. These initiatives combine social assistance, pension support, statutory protections and digital platforms to widen access to social security.

Pradhan Mantri Samajik Sahayata Yojana

The Yojana provides social assistance to eligible elderly persons, widows, persons with disabilities and bereaved families. It has been revised from the existing National Social Assistance Programme (NSAP) in October, 2026. The scheme will continue from 2026–27 to 2030–31. The following are the benefits offered by the sub-schemes under NSAP:

- **The disability pension scheme** provides monthly assistance of Rs. 375 to beneficiaries aged below 80 years and Rs. 625 to those aged 80 years and above. The benchmark disability threshold has been reduced from 80% to 40%, and the minimum age criterion has been removed, extending eligibility from birth.
- **The old age pension scheme** grants a monthly pension of Rs. 200 to persons aged 60-79 years and Rs. 500 to those aged 80 years and above.
- **The widow pension scheme** offers a monthly pension of Rs. 300 to widows aged 40-79 years and Rs. 500 to those aged 80 years and above.
- The **family benefit scheme** provides one-time financial assistance of Rs. 20,000 to eligible households upon the death of the primary breadwinner aged 18-59 years.

Code on Social Security, 2020.

It **consolidates nine existing central labour laws relating to social security into a unified legislative** framework. The code provides for social security benefits covering provident fund, pension, insurance, maternity benefits, gratuity and other forms of worker protection. Its provisions extend to organised and unorganised workers, including gig and platform workers.

The Code provides for gratuity to eligible fixed-term employees on a proportionate basis after one year of service, subject to applicable conditions. It also recognises gig and platform workers within the social security framework and provides for schemes for their welfare, supported by a social security fund.

Women-centric provisions include **maternity benefits of up to 26 weeks for eligible women**, the option of work from home where the nature of work permits and crèche facilities in establishments meeting prescribed conditions. The Code also provides for digital and simplified compliance mechanisms to facilitate implementation and access to social security benefits.

e-Shram: An Integrated Platform for Unorganised Workers

Launched in August 2021, e-Shram created India's first Aadhaar-seeded National Database of Unorganised Workers. Each registered worker receives a UAN. The portal recorded 31.89 crore registrations as of August 2026. The e-Shram One-Stop Solution, launched in October 2024, integrates 15 social security and welfare schemes. It also connects workers with the National Career Service for jobs, Skill India Digital Hub for skilling and apprenticeship, and myScheme for identifying eligible government schemes.

Pradhan Mantri Shram Yogi Maandhan (PM-SYM)

PM-SYM is a voluntary and contributory pension scheme for eligible unorganised workers aged 18–40 years, with monthly incomes of up to Rs. 15,000. It provides a minimum assured pension of Rs. 3,000 per month after attaining 60 years of age, subject to prescribed conditions. Monthly contributions range from Rs. 55 to Rs. 200, depending on the age of enrolment, with an equal contribution from the Central Government. The scheme supports old-age income security for workers in the unorganised sector, which contributes around 50% of India's GDP.

Towards Universal Social Security

India's social security framework continues to expand through wider EPFO coverage, digital service delivery and reforms in labour welfare. Initiatives across provident fund, pensions, insurance and social assistance support workers across formal and informal employment. Simplified compliance and technology-enabled platforms are further strengthening access to benefits. Together, these measures contribute to a more inclusive and accessible social security system.

Pathway for Agniveers to be Absorbed in Defence Forces

In a major overhaul of the Agnipath scheme, the Union Cabinet has approved a revised framework providing an additional pathway for the permanent enrolment of all willing Agniveers into the Defence Forces. Briefing the media after the Cabinet meeting on November 5, 2026, Chief of Defence Staff General N.S. Raja Subramani said the move follows an extensive evaluation by the armed forces, which gave highly positive feedback on the effectiveness, physical fitness and technological adaptability of Agniveers. The decision comes just ahead of the completion of the initial four-year tenure of the first batch of 18,300 Agniveers next month. As originally planned, the top 25 per cent of Agniveers will be offered regular permanent employment immediately after completing their initial four-year tenure, based on merit. The remaining 75 per cent will be given an additional engagement period of two years, subject to their willingness and recommendations from the armed forces. After completing the additional two-year period, taking their total service to six years, all remaining willing Agniveers will be offered permanent enrolment as regular soldiers, subject to meeting the prescribed selection criteria.The newly introduced two-year extension period will provide increased monthly remuneration, an enhanced SevaNidhi package and cumulative seniority benefits. The structural reforms effectively remove the mandatory provision for the exit of 75 per cent of Agniveers, ensuring that those who wish to serve permanently and meet the prescribed eligibility criteria have a direct pathway to regular enrolment.

Union Cabinet Approves Continuation of FTSCs for Fast Trial of Rape & POCSO Act Cases

The Union Cabinet has approved the continuation of the Centrally Sponsored Scheme for Fast Track Special Courts, including exclusive POCSO Courts, for a further period of five years from April 1, 2026 to March 31, 2031. The Scheme has a total financial outlay of over 3,788 crore rupees. The Central Share will be funded from the Nirbhaya Fund. The Scheme has provision of operationalisation of 850 Fast Track Special Courts, including exclusive POCSO Courts, across various participating States and UTs. It has a provision of dedicated Judicial Officer, Special Public Prosecutor and six support staff to facilitate expeditious disposal of pending cases relating to rape and offences under the POCSO Act, 2012. The continuation of the Scheme will ensure faster trials and timely justice for victims of sexual offences. It will reduce the number of pending cases of Rape and POCSO Act cases.

DRDO Successfully Tests Pralay Missile

DRDO successfully flight-tested the indigenous quasi-ballistic missile Pralay from Dr. A.P.J. Abdul Kalam Island off Odisha's coast on November 5, 2026, as part of user evaluation trials. The Defence Ministry said all test objectives were met, with data from tracking instruments confirming the results. The successful trial brings the missile system closer to induction. Developed by Research Centre Imarat, Hyderabad, in collaboration with other DRDO laboratories, Pralay was tested in the presence of defence officials, industry representatives and armed forces personnel. Defence Minister Shri Rajnath Singh welcomed the test as a significant milestone in strengthening India's indigenous defence capabilities.

Union Cabinet Approves VISTAR Scheme to Modernise India's Statistical System

The Union Cabinet has approved the 'Viksit Bharat Initiative for Statistical Transformation, Analytics & Research' (VISTAR) Scheme for 2026-27 to 2030-31 with an outlay of over 4,371 crore rupees. The VISTAR Scheme is designed to establish a dynamic, real-time and future-ready official statistical architecture for enhanced timeliness, data granularity, interoperability with harmonised and AI-ready datasets. It will provide the strategic flexibility to dynamically allocate resources based on immediate policy needs, fostering a holistic approach to large-scale survey execution, methodological research, digital transformation, and national data governance. VISTAR Scheme will encompass all statistical and data management activities of Ministry of Statistics and Programme Implementation. It will play a crucial role for upgrading the official statistical system of the country.

92 Gigawatt-Hour Energy Storage Scheme to Strengthen India's Clean Energy Programme

The Union Cabinet has approved a 92 Gigawatt-hour energy storage scheme to further strengthen India's clean energy programme with Rs. 14,500 crore Viability Gap Funding (VGF) Scheme for Development of Grid Scale Energy Systems. The scheme will comprise 30 gigawatt-hours of battery storage, 60 Gigawatt-hour of pumped storage and two Gigawatt-hour for emerging energy storage technologies. He said the scheme will be implemented in collaboration with state governments, ensuring equitable distribution of storage capacity across the country. India has set new global standards in the deployment of clean energy and added that nearly 52 per cent of the country's power generation capacity now comes from non-fossil fuel sources.

Govt. Approves Rs. 2,814-Crore Scheme for Lithium and Nickel Processing

The Union Cabinet has approved a Rs. 2,814-crore scheme to promote domestic processing of lithium and nickel, aiming to reduce import dependence and strengthen supplies for key industries.The scheme will run from 2026-27 to 2030-31, offering a 30 per cent subsidy on eligible investment to establish two lithium and two nickel processing plants. Support will be capped at Rs. 500 crore per lithium beneficiary and Rs. 900 crore per nickel beneficiary. Beneficiaries will be selected through competitive bidding, with funds released against project milestones.The government expects the scheme to attract about Rs. 10,000 crore in investment and support electric vehicles, battery storage, electronics, defence and speciality steel manufacturing.

India Eases Passport and Visa Rules for Several Categories of Foreign Nationals

The government has relaxed passport and visa requirements for several categories of foreign nationals living in India under an amendment notified by the Home Ministry. The exemptions cover certain Pakistani nationals, registered Sri Lankan Tamils who sought shelter in India by January 9, 2015, and specified persons of Indian origin whose Malaysian or Singaporean passports cannot be renewed. Hindus, Sikhs, Buddhists, Jains, Parsis and Christians from Afghanistan, Bangladesh and Pakistan who fled religious persecution and entered India by December 31, 2024, are exempt from passport and travel document requirements. However, they must obtain an appropriate visa to continue staying in India. The revised rules also allow Indian citizens travelling to Nepal or Bhutan, and citizens of those countries entering or leaving India, to use specified identity documents instead of passports, subject to immigration requirements.

Democrats Win House and Senate in US Midterms

Democrats have won control of both chambers of the US Congress in the 2026 midterm elections, dealing a major setback to President Mr. Donald Trump and his Republican Party. Democrats secured at least 228 seats in the 435-member House of Representatives, exceeding the 218 needed for a majority. In the Senate, they won 54 seats against the Republicans' 44, with two seats still undecided. Democratic gains included victories in Texas, South Carolina, Kansas, Iowa and Ohio. Control of Congress will allow Democrats to launch investigations, challenge legislative agenda and block presidential nominations. Mr. Donald Trump will remain president, retaining executive authority and the power to veto legislation.
