## A Modern Rural Employment Architecture for

### Viksit Bharat @2047

**V**iksit Bharat - Guarantee for Rozgar and Aajeevika Mission (Gramin) (VB-G RAM G) Act, 2025 is set to come into force from July 1, 2026. This is a landmark initiative that will replace the long-standing Mahatma Gandhi National Rural Employment Guarantee Act (MGNREGA). Conceived in the spirit of "Rozgar Bhi, Samman Bhi", the new framework seeks not merely to provide employment, but to empower rural India through dignity, productivity and sustainable development. For decades, wage-employment programmes have served as a vital safety net for millions of rural households grappling with under-employment and livelihood insecurity. However, India's rural landscape has evolved significantly over the years. Improved road and digital connectivity, greater financial inclusion, expanding social protection mechanisms, and diversification of livelihoods have transformed the aspirations of rural communities. In this changing environment, the Government has envisioned a modern employment guarantee architecture aligned with the vision of *Viksit Bharat @2047*.

#### Key Statutory Provisions

- Enhanced Livelihood Guarantee:** The (VB-G RAM G) Act establishes a statutory guarantee of 125 days of wage employment in every financial year for every rural household whose adult members volunteer for unskilled manual work.
- Peak Agricultural Season Protection:** To ensure the availability of farm labour, State Governments are empowered to notify an aggregated pause period of up to 60 days during peak sowing and harvesting seasons, during which works under the Act will not be undertaken.
- Financial and Oversight Structure:** The scheme is implemented as a Centrally Sponsored Scheme. The Central Government makes normative allocations to States based on objective parameters, and institutional oversight is provided by Central and State Gramin Rozgar Guarantee Councils.
- Unemployment Allowance and Delay Compensation:** If work is not provided within the stipulated timeframe, workers are entitled to an unemployment allowance (one-fourth of the wage rate for the first 30 days and one-half thereafter). Additionally, wages must be paid within 15 days; otherwise, workers receive delay compensation at a rate of 0.05% of unpaid wages for every day of delay.
- Legal Guarantees for Worksite Facilities:** Provisions for clean drinking water, shade, first-aid kits, and child-care facilities (where five or more children under five are present) are legally guaranteed.

- Wage Rate and State Compliance:** The Central Government notifies the wage rates for unskilled manual work, and every State Government must notify its specific scheme under the Act within six months of its commencement.
- Administrative Reform:** To improve field-level implementation, the cap on administrative expenditure has been increased from 6 percent to 9 percent.

#### The Transition

The transition from the MGNREGA to the VB-G RAM G Act, 2025, is designed to be a seamless and worker-friendly process that ensures no interruption in livelihood support. The transition will be managed through the following steps:

- Commencement and Repeal Dates:** The new Act will officially come into force on July 1, 2026. On this same date, the MGNREGA (2005) will be repealed. Until this date, employment will continue to be provided under the existing MGNREGA framework without interruption.
- Validity of Worker Credentials:** To protect the interests of the rural workforce, existing e-KYC-verified Job Cards will remain valid until new Gramin Rozgar Guarantee Cards are issued. For workers without current cards, registration and issuance will take place at the Gram Panchayat level. Importantly, no worker will be denied employment due to pending e-KYC; instead, facilitation for verification will be provided at worksites.
- Continuation of Public Works:** Any ongoing works under MGNREGA as of the commencement date will be allowed to continue under the new Act. If existing works are insufficient to meet the demand for employment, new projects consistent with the updated thematic areas of the VB-G

RAM G Act (such as water security or climate resilience) will be initiated.

- State-Level Integration:** Each State Government is required to notify its specific scheme under the new Act's provisions within six months of the national commencement.
- Financial and Administrative Support:** The transition is backed by a historic budget allocation of Rs. 95,692.31 crore for FY 2026-27 to ensure adequate funds are available to States for emerging demand. To support field functionaries like *Gram Rozgar Sevaks* during this shift, the administrative expenditure cap has been increased from 6% to 9%, allowing for better training and capacity building.
- Technological Shift:** While the payment system remains based on Direct Benefit Transfer (DBT), attendance will transition to NMMS-enabled systems and face-authentication. Exception handling provisions are included to ensure workers are not penalised for technical or connectivity issues during this technological upgrade.

#### Expanded Scope of Work

The VB-G RAM G Act, 2025, significantly expands the scope of permissible works beyond traditional labour-based activities to create durable assets that align with the national vision of *Viksit Bharat @2047*. Works are now structured into four major thematic areas to ensure they are outcome-oriented and contribute to long-term village development. The expanded scope includes:

- Water Security:** This category focuses on strengthening long-term water resilience through irrigation support, groundwater recharge structures, watershed development, rejuvenation of water bodies, afforestation, and rainwater harvesting.

- Core Rural Infrastructure:** These works aim to improve access to basic services and include the construction of rural roads, public buildings, school infrastructure, Anganwadi centres, sanitation systems, and renewable energy infrastructure.
- Livelihood-Related Infrastructure:** Designed to diversify rural incomes and support agro-based activities, this includes building rural markets, storage infrastructure (like cold storage), food processing units, livestock and fisheries infrastructure, and skill development centres.
- Mitigation of Extreme Weather Events:** To build climate-resilient villages, the Act prioritises flood management structures, embankments, cyclone shelters, post-disaster restoration, and forest fire management.

All these works are no longer scattered projects but are aggregated into the *Viksit Bharat-National Rural Infrastructure Stack (VB-NRIS)*, ensuring they form a unified

and forward-looking infrastructure framework. This shift ensures that every day of employment provided contributes to productive asset creation and local economic growth.

#### Audit and Transparency

Transparency under the VB-G RAM G Act, 2025, is ensured through a multi-layered approach that combines advanced technology, financial reforms, and community-led oversight:

- Digital and Technological Governance:** The Act mandates a modern architecture that includes biometric authentication and face-recognition attendance through NMMS-enabled systems to verify worker presence accurately. Planning is integrated with spatial technology (such as PM *Gati Shakti* and GIS), and all assets are geo-tagged to ensure they are physically created as planned. Real-time dashboards and AI-enabled analytics provide continuous monitoring and oversight.
- Financial Integrity:** All wage payments are conducted via Direct Benefit Transfer (DBT) into workers' bank or

post office accounts. This system is designed to reduce delays and eliminate intermediaries, ensuring that funds reach the intended beneficiaries directly.

- **Public Disclosure at the Grassroots:** Transparency is reinforced at the worksite through mandatory Janata Boards, which must display specific details regarding sanctioned works, labour estimates, expenditure, and material utilisation. Furthermore, the framework requires weekly public disclosure systems to keep the local community informed of progress and spending.
- **Community Oversight and Audits:** A strengthened Social Audit mechanism is a core statutory provision, designed to enhance community participation and reinforce accountability at the village level. These audits allow the community to verify the quality and existence of assets created under the scheme.
- **Institutional Accountability:** The Act establishes Central and State Gramin Rozgar Guarantee Councils, along with Steering Committees, to monitor implementation, evaluate performance, and recommend normative

Use public transport  
Carpool  
Work from home  
Avoid unnecessary purchase of foreign goods and gold

AVOID UNNECESSARY GOLD PURCHASE

The ongoing West Asia crisis has prompted the Government of India to take several economic measures to reduce import dependence and conserve foreign exchange. Prime Minister Shri Narendra Modi has urged citizens to save fuel by using public transport, carpooling and work-from-home arrangements wherever possible. He also appealed to people to avoid unnecessary purchase of foreign goods and gold until the situation normalises. The government has increased import duty on gold and silver findings to 5 per cent, while platinum findings will attract 5.4 per cent duty. The Centre has also capped duty-free gold imports under the Advance Authorisation Scheme at 100 kg for jewellery exporters. Earlier, there was no such limit. Further import approvals will be granted only after exporters fulfill at least 50 per cent of their export obligation. Meanwhile, oil marketing companies have hiked petrol and diesel prices by Rs 3 per litre.

### Govt. Launches Maritime Insurance Pool to Protect Indian Cargo, Vessels

Amid the ongoing West Asia crisis and rising global tensions, the government has launched the Bharat Maritime Insurance Pool (BMIP) with support from The New India Assurance Company Limited and other domestic insurers to ensure uninterrupted maritime trade and insurance coverage for Indian ships and cargo. Launched by the Department of Financial Services under the Ministry of Finance, the insurance pool has a total coverage capacity of USD 1.5 billion and is backed by a sovereign guarantee of USD 1.4 billion. The scheme will provide comprehensive insurance cover for Indian ships and cargo, including protection against war-related risks, cargo damage and other maritime liabilities. It will benefit Indian shipping companies, exporters, importers and businesses dependent on overseas trade.

### Cabinet Approves MSP Hike, Major Infra and Energy Projects

The Union Cabinet has approved higher Minimum Support Prices (MSP) for 14 Kharif crops for the 2026-27 marketing season to ensure better returns for farmers. Sunflower seed received the highest increase of Rs. 622 per quintal. The government said MSPs have been fixed at least 1.5 times the average cost of production. The Cabinet also cleared the modernisation of Nagpur International Airport through a 30-year public-private partnership with GMR Nagpur International Airport Limited. The upgraded airport is expected to handle 30 million passengers annually and improve cargo facilities. A new 134-kilometre semi high-speed railway line between Ahmedabad and Dholera was also approved at a cost of Rs. 20,667 crore. The project will improve connectivity to the upcoming Dholera Airport and is targeted for completion by 2030-31. In the energy sector, the Cabinet approved a Rs. 37,500 crore scheme to promote coal and lignite gasification projects. The initiative aims to gasify 100 million tonnes of coal by 2030 and reduce dependence on imported fuels and chemicals.

### ECI Announces SIR Phase-III in 16 States, 3 UTs

The Election Commission of India has announced Phase-III of the Special Intensive Revision (SIR) of electoral rolls across 16 states and three Union Territories. The states covered include Andhra Pradesh, Haryana, Karnataka, Maharashtra, Odisha, Punjab, Telangana and Uttarakhanda, among others, while the Union Territories are Delhi, Chandigarh, and Dadra and Nagar Haveli and Daman and Diu. Chief Election Commissioner Shri Gyanesh Kumar appealed to voters to actively participate and submit their Enumeration Forms during the exercise. Over 3.94 lakh Booth Level Officers and 3.42 lakh Booth Level Agents will conduct door-to-door verification for around 36.73 crore electors during the phase.

### India's Economy Likely to Grow at 6.6% in FY27: SBI Report

India's economy is projected to grow at 6.6 per cent in the financial year 2026-27, according to a May 2026 report by State Bank of India Research. The report said GDP growth for 2025-26 is likely to be 7.5 per cent. The report noted that India continues to show resilience despite global uncertainties and regional conflicts. It added that strong credit growth and domestic consumption are expected to support economic growth in the coming year. It also cautioned that fluctuations in crude oil and commodity prices, along with possible El Niño conditions, could increase inflationary pressures. The report further stressed the need for policy measures to address balance of payments concerns and highlighted the importance of promoting Artificial Intelligence-driven productivity and competitiveness in the economy.

### BRICS Meet Ends in Delhi Without Joint Statement

A two-day meeting of foreign ministers from the BRICS nations held on May 14 and 15 concluded in New Delhi without a joint statement due to differences among member countries over the situation in West Asia. India, the host nation, said members shared their respective national positions and exchanged views on issues including sovereignty, maritime security, and protection of civilian lives and infrastructure in the region. The statement issued after the meeting noted that one member had reservations regarding references to Gaza and security in the Red Sea and Bab al-Mandeb Strait. During the meeting, Iranian Foreign Minister Mr. Abbas Araghchi urged BRICS nations to condemn the United States and Israel over what he termed "unlawful aggression" and called for resisting the politicisation of international institutions.

### President Trump's China Visit Signals Push for Stability Amid Global Tensions

US President Mr. Donald Trump visited China on a state visit aimed at stabilising ties between the world's two leading economies amid rising geopolitical and economic uncertainty. During talks in Beijing with Chinese President Xi Jinping, both leaders signalled a shift towards cooperation on trade, energy and regional stability, while continuing to manage long-standing strategic differences. The visit resulted in several key economic understandings. China agreed to purchase 200 Boeing aircraft, while the United States paused high tariffs on Chinese goods. In return, China agreed not to restrict exports of rare earth minerals, which are critical for global technology and manufacturing industries. Energy security also emerged as a major focus against the backdrop of the West Asia crisis. Both sides stressed the need to keep the Strait of Hormuz open to ensure uninterrupted global energy supplies. China additionally expressed interest in increasing imports of American oil to reduce its dependence on supplies from conflict-affected regions. Despite the improved tone, tensions over Taiwan continued to remain a sensitive issue. US Secretary of State Mr. Marco Rubio warned China against the use of force on Taiwan, while President Mr. Xi cautioned that mishandling the issue could trigger confrontation between the two countries.

### Aparna Dahiya Wins India's First Sanda World Cup Gold

Indian wushu player Aparna Dahiya won a gold medal in the women's 52 kg category at the 11th Sanda World Cup in Macau, becoming the first Indian to win gold at the tournament. Aparna defeated reigning world champion Thi Phuong Nga Ngo of Vietnam in straight sets in the final held on May 14. The victory was especially significant as Aparna had earlier lost to the same opponent in the final of the World Wushu Championships in Brazil in September 2025.
