### Jan Shikshan Sansthan (JSS):

The Jan Shikshan Sansthan (JSS) scheme, under the Ministry of Skill Development and Entrepreneurship, provides vocational training to non-literate, neo-literate, and school dropouts (aged 15-45) to enhance employability and promote self-employment. Primarily targeting rural women and disadvantaged groups, the scheme operates through NGOs with 100% government funding, offering low-cost, tailored, and accessible skill courses.

### Don Bosco Vazhikaatti (DBV)

Don Bosco Vazhikaatti (DBV) is a prominent career guidance, Training and job placement centre based in Tamil Nadu, dedicated to empowering youth—especially those from underprivileged backgrounds. Established in 1997 by the Salesians of Don Bosco, it operates as a model centre for career development across India.

### DBV and JSS Collaboration:

The Jan Shikshan Sansthan (JSS) scheme and Don Bosco Vazhikaatti (DBV) collaborate to deliver inclusive, government-supported skill development for disadvantaged youth, particularly non-literate and school dropouts. While JSS provides accessible vocational training, DBV strengthens the initiative through structured career guidance, Training and placement support. Together, DBV effectively bridge the gap between training and employment, promoting entrepreneurship and enabling sustainable livelihoods for underserved communities.

### JSS Orientation Program:

The orientation sessions were conducted for the students across all three centers by Mrs. Jayaedha Nambiar and Mrs. Munishwari from JSS. The program was held at Perambur on 6th February, followed by AVC on 24th February, and concluded at Broadway on 11th March.
