Introduction

Don Bosco Vazhikaatti, Broadway Centre, in collaboration with the Tamil Nadu Skill Development Corporation (TNSDC), implemented two skill development programmes to strengthen the employability of youth by providing focused training in accounting, bookkeeping, taxation and finance-related areas. The programmes were designed to help participants develop job-oriented knowledge and practical competencies relevant to entry-level opportunities in the accounts and finance sector.

The two programmes covered under this report are Tally & GST and Finance & Accounting. Each batch had 30 students, making a total of 60 students across both programmes. Following the training, the centre supported students in accessing employment opportunities. A total of 40 students were placed across the two batches.

Objectives of the Programmes

- To provide youth with structured, job-oriented training in accounting and finance.
- To build foundational knowledge and practical understanding of bookkeeping, accounting processes and GST-related concepts.
- To improve participants' confidence and readiness for entry-level roles in accounts and finance.
- To connect trained candidates with suitable employment opportunities through placement support.
- To contribute to youth employability through the collaboration between TNSDC and Don Bosco Vazhikaatti.

Programme-wise Overview

Tally & GST

The Tally & GST programme was conducted from 22 August 2025 to 19 December 2025 with 30 students. The programme focused on strengthening participants' understanding of accounting practices and GST-related work processes, preparing students for entry-level opportunities where basic accounting knowledge, computerised accounting familiarity and an understanding of taxation procedures are useful.

After completion, the centre extended placement assistance to the trained candidates. Out of the 30 students, 17 secured employment, a placement rate of 56.67%.

Finance & Accounting

The Finance & Accounting programme was conducted from 7 October 2025 to 26 February 2026, with 30 students. It aimed to develop knowledge and skills relevant to finance and accounting support functions, providing a learning pathway for students interested in accounts and finance-related roles.

Placement support was provided to candidates after the training period. Out of the 30 students, 23 secured employment, achieving a placement rate of 76.67%.

Overall Programme Outcomes

- A total of 60 students participated in the two TNSDC-supported skill development programmes.
- Both training batches were completed within their respective programme periods.
- A total of 40 students secured employment through the placement outcomes reported for the two batches.
- The combined placement rate across both batches was 66.67%.
- The Finance & Accounting batch recorded a higher placement rate of 76.67%, while the Tally & GST batch recorded 56.67%.

Placement Support and Follow-up

Don Bosco Vazhikaatti supports trained candidates in moving from training to employment through placement-related guidance and coordination. This includes identifying suitable job opportunities, sharing relevant openings with candidates, coordinating interview opportunities and following up on placement progress. The placement figures presented in this report reflect the outcomes shared for the two completed batches.

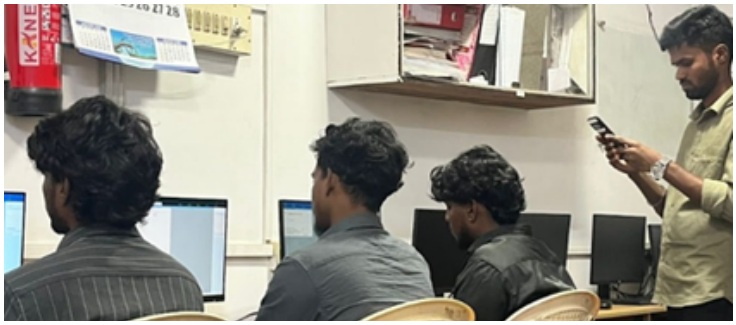

Conclusion

The collaboration between Tamil Nadu Skill Development Corporation and Don Bosco Vazhikaatti, Broadway Centre, enabled 60 students to access focused training in Tally & GST and Finance & Accounting. The completion of both batches and the placement of 40 students represent a positive outcome of the skill development initiative.

Don Bosco Vazhikaatti acknowledges the support and collaboration of TNSDC in facilitating skill development opportunities for youth. The centre remains committed to strengthening the link between training and employment by continuing to provide career guidance and placement assistance to trained candidates.
