# About HR SUMMIT

The 11th Annual HR Summit organized by Don Bosco Vazhikaatti was a significant gathering of HR professionals, academicians, industry leaders, and students, aimed at bridging the gap between education and employability.

Held under the theme “Intellexa: Realigning Education and AI 5.0,” the summit focused on how educational institutions must adapt to rapid technological advancements, especially Artificial Intelligence, and prepare students with future-ready skills. The event created a platform for meaningful dialogue on innovation in learning, industry expectations, digital transformation, and human-centered leadership in the AI era.

The summit was graced by distinguished dignitaries including Rev. Fr. Maria Arokiaraj, Principal of DB College; Rev. Fr. Stanislaus Swamikannu SDB Rector and Parish Priest of Lourdes Shrine, Perambur; Bro. Arun, Director of SIGA Press; and Fr. Joe Anand, Director of Don Bosco Vazhikaatti. Their presence added depth and value to the discussions.

A key highlight of the summit was the panel discussion featuring HR experts and industry leaders, moderated by Mr. Mark. The session encouraged interactive participation and addressed practical strategies to realign curriculum, enhance employability skills, and integrate AI responsibly into education systems.
