LAYOUT & DESIGN Nirmal

Dear Friends,

What a year this has been? It began with great promise being the last year of the decade, but in March, humanity received a shock that will always remain etched in the minds of billions – the effects of the pandemic that threw life out of gear for the rest of the year. And if that were not bad enough, we again had to keep our fingers crossed with a series of cyclones and incessant rain that led to flooding in some areas that brought back painful memories of the 2015 floods that devastated Chennai.

We as a human race has never before suffered collectively ever since the World War II ended in 1945. Yet it is this pandemic year that has taught us our deepest lessons and brought back the importance of the soul enriching human values of patience, fortitude, resilience, empathy, hope, and faith. God alone knows how much we at Don Bosco Vazhikaatti struggled to stay afloat during the pandemic. At a time when panic and uncertainty was all around, we kept praying for the situation to improve and at the same time, we continued to reach out and help our students and their families in distress. I can safely say that it was only faith and patience that kept us going along with the invaluable support of our individual benefactors and funding partners. Most of our programs were affected like never before but whatever we could do, we did it through the virtual mode and that made a lot of difference to the moral of our staff, and the wellbeing of our students. The cyclone blew in full strength across Chennai but the walls of DBV stood strong and with faith and teamwork, we continued to serve, so that the poor youth can benefit from our sacrifices.

Now we are in the final month of an unforgettable year. This is also the Christmas month where God Almighty 2020 years ago gave us His only begotten Son, Jesus Christ. Christmas is the happiest time of the year, but in this year, I am sure Christmas would have a deeper significance on the hearts and minds of this suffering humanity. This Christmas, we will be filled with hope that the next year will be a better one to come. We will also be filled with renewed strength to know that despite the most challenging times gone by this year, God has kept us alive and well so that we may eternally remember the Birth and sacrifice of His Son, our Lord Jesus and strive to be like Him in our thoughts, words and deeds, so that 2021 can be a blessed year for us all.

We at DBV are indebted to you for your continued support to us. It is my earnest prayer that you and your near and dear ones continue to receive the blessing of God now and all through the new year. Stay Safe, Stay Hopeful, Stay Blessed.

Lovingly,

**Fr. Andrew Stephen Raj, SDB**
