- Integrity
- Innovation
- Inclusiveness

Dear Friends,

We stand forth yet again at the threshold of another glorious year gone by and with prayerful hope in anticipation of great joy and good tidings in the year to come, symbolic of the happiest season of the year in which we are now in - Christmas.

Why is Christmas the happiest season of the year? There are many reasons for it but for the sake brevity, I shall highlight the most important three.

Firstly, Christmas symbolises birth and birth always brings hope, peace, joy and happiness in plenty. To enhance the experience of this festival, Christmas is the celebration of the birth of our Lord and Saviour Jesus Christ, the one and only truly begotten Son of God. By celebrating the birth of Jesus, we draw great blessings from God into our hearts and homes.

Secondly, Christmas come toward the end of the year bringing with it feelings of nostalgia of the year gone by and great hope of a better year to come. This feeling brings out the best in people and this is the time when there is renewed hope, love and motivation for the future.

Finally, Christmas is a promise of God's love for us. This is manifested in the 4 predominant emotions of the advent season, namely Hope, Peace, Joy and Love. It is these very reasons that make Christmas the happiest season of the year.

We at Don Bosco Vazhikaatti have led a very prayerful and devoted year. God has blessed us and we are eternally thankful for the His merciful blessings. We too look forward to the new year with renewed hope, peace, joy and love in our hearts to serve humanity by empowering the youth as our founding father Don Bosco very rightly proclaimed, "You are young, that is enough for me to love you".

**Wishing everyone a Merry Christmas and a
Happy New Year 2020.**

With loving wishes,

Fr. Andrews Stephen Raj, SDB
