46	SUCCESS STORY	

Dear Friends and well wishes,

Warm greetings from Don Bosco Vazhikaati,

We often rely on our thinking and planning to overcome challenges. We make plans, set goals, and work hard to achieve them. However, sometimes, our plans need to be revised, and we face unexpected problems. These moments remind us that Divine Providence, or God's guidance, is more significant than our thinking and calculations. Divine Providence believes a higher power guides us, even when we don't understand how. While our human minds are limited, Divine Providence sees the bigger picture and knows what is best for us, even when we can't see it ourselves.

Think about the many times in history when people faced impossible odds but, through faith in Divine Providence, found new opportunities and blessings. A great example is Saint John Bosco. His story is not just a testament to faith but also an inspiration. He had a dream that inspired him to help poor and struggling youth. Despite many challenges, his faith in Divine Providence helped him create a lasting legacy that still changes lives today.

Don Bosco's dream wasn't just his idea; Divine Providence guided it. His trust in a higher power allowed him to do amazing things, giving many young people hope, education, and a future. His life shows us that while our plans are essential, trusting in Divine Providence leads us to our true purpose.

When we face uncertainty and doubt, we should remember to trust in Divine Providence. By doing so, we open ourselves to possibilities beyond our understanding.

In conclusion, let's balance our efforts with faith, knowing that Divine Providence will guide us to where we are meant to be. As we move forward, let's find comfort in the reassurance that there is a higher plan at work, greater than anything we could ever imagine or calculate.

Yours in Don Bosco
Fr. Joe Anand SDB.

Don Bosco Vazhikaatti's Personal Career Guidance Service
Empowers Youth for Bright Futures

Don Bosco Vazhikaatti's Department of Career Guidance & Training has made significant strides in helping students align their skills, interests, and values with fulfilling career paths. The department's recent career counselling events, held on June 5th, 6th, and 28th, marked their fourth major initiative of the year, reaching numerous students with tailored guidance.

Our efforts have borne fruit in the form of success stories like Surendar, a BCA student from Alpha College, Porur, who was guided towards short-term courses and further training in DQA at the SMART Perambur center. Similarly, Samuel, a B.Sc. A chemistry student at Voorhees College, Vellore, was provided with counselling on higher education opportunities and professional programs, leading him to consider MSW and MBA.

Dinesh Kumar from Govt. School, Red Hills, who had incomplete subjects in his 12th grade, was guided to finish his remaining subjects and referred to the QA Perambur center. Vasan, a DECE student from Apollo Polytechnic, Poonamallee, received advice on completing his arrears and preparing for government technical exams to enhance his job prospects. These personalized counselling sessions are part of Don Bosco Vazhikaatti's mission to empower underprivileged youth, equipping them with the knowledge and skills needed for successful careers. The organization fosters a supportive environment that encourages personal and professional growth by focusing on individual needs and aspirations. The impact of these initiatives is profound, as evidenced by the increased motivation among students to pursue higher education, complete their studies, and seek professional development opportunities. Don Bosco Vazhikaatti's commitment to guiding the youth towards meaningful and prosperous futures is unwavering, and we continue to be a beacon of hope and support in their educational journeys.
