57	SUCCESS STORY

Dear Friends,

In a world of endless possibilities, your big dreams are not just a motivational phrase, but a powerful tool to shape your future. They pave the way for a life of purpose and impact, transcending the limitations of the present. Your dreams are your guiding star, offering direction and motivation even in the most challenging times.

Dreaming big is about setting ambitious goals and working relentlessly to achieve them. It requires breaking down dreams into smaller, actionable steps, celebrating victories, and learning from every setback. Challenges are inevitable, but they are also growth opportunities. Persistence is the key to transforming dreams into reality.

Surrounding yourself with a supportive community and team members can provide the encouragement and resources needed to stay on track. Sharing your dreams opens doors to new opportunities and inspires others to pursue their ambitions.

Remember, dreaming big is not just about your personal success; it's about making a significant impact on the world. Your journey, your dreams, and your achievements can inspire others, showing them that no dream is too big if you work hard. So, dare to dream big, and let those dreams guide you to a life of purpose and fulfilment. The future belongs to those who believe in the beauty of their dreams.

Yours in Don Bosco
Fr. Joe Anand SDB.

Naan Mudhalvan Project Drive: Graphic Design Trainer Role

The Naan Mudhalvan Program, part of the Tamil Nadu Skill Development Corporation, is seeking Graphic Design Trainers for a part-time, short-term project. This 9-week training program will target 5th-semester degree students in government colleges across Chennai, Kanchipuram, Chengalpattu, and Tiruvallur. The program will run for 9 weeks, with training sessions held for 5 hours per day, 4-5 days per week.

Participants will receive a salary of ₹45,000 for the duration of the program, and travel expenses will be covered for bus and train travel. The target audience for this program includes 5th-semester degree students, and the educational qualification required for trainers is a degree or above. Proficiency in both Tamil and English is essential for this role.

Trainers will be responsible for conducting graphic design training sessions using Adobe Express in government colleges. Trainers are expected to visit 2-3 colleges per week, ensuring comprehensive coverage and effective training. They should provide feedback and additional support as needed, adapting training techniques to suit different learning styles.

Applicants must be proficient in Adobe Express and other graphic design tools, possess strong knowledge of graphic design principles and practices, and have excellent communication skills. Prior experience in training or teaching is preferred. This project offers a fantastic opportunity for individuals with Canva and effective training skills to impact the future of design education in Tamil Nadu.

PEEK FINDER - Job Drive on 24.7.2024

On July 24, 2024, a job drive was organized by Ms. Priya, Manager at Peek Finder Consultancy, at DBV Perambur. This event was specifically held for the

students of AVC - WCCP Batch 1 (9145). Among the attendees were Ms. Thenmozhi and Sindhu, who represented their batch with enthusiasm and professionalism.

During the drive, the students underwent a series of interviews aimed at assessing their skills, competencies, and potential fit within Peek Finder Consultancy. The drive was a significant opportunity for students to demonstrate their capabilities and make a strong impression on potential employers.

Both Ms. Thenmozhi and Sindhu showcased their talent and dedication during the interview process. Their efforts paid off as they successfully got shortlisted for the final interview, bringing them a step closer to securing a position at Peek Finder Consultancy. This opportunity marks an important milestone in their career journey and reflects the effectiveness of the training and preparation provided by the AVC - WCCP program.

The event highlights the commitment of Peek Finder Consultancy and DBV Perambur to nurturing young talent and bridging the gap between education and employment. It also serves as a testament to the potential and readiness of the students to excel in professional environments.

DBV-TMF AVC WCCP Launches Mobilization Drive for Batch 3

The DBV-TMF AVC WCCP center has initiated a comprehensive mobilization drive for Batch 3, aimed at expanding enrollment and fostering community engagement. As part

of this effort, Ms. Sharon, an AVC trainer, spearheaded outreach activities by distributing informative pamphlets at various strategic locations, including the church community and Women Integrated Development Trust in Kallikuppam and Ambattur.

In a bid to further bolster community participation, Ms.

Sindhu, the center manager, and Ms. Sharon, visited the Thiramai Career Institute. The meeting, hosted by Mr. Senthil, the founder, and Mr. Murali, the operations head, served as a platform for discussing potential collaborations that could benefit both the institute and the community members.

Key Mobilization Locations:

Women Integrated Development Trust, Villivakkam

ECI Church, Villivakkam – Visited on July 24

Ceylon Pentecostal Mission, Villivakkam – Visited on July 24

Berachah Church, Villivakkam

Spiritual Rock Church, Madhanakuppam

Gate Way of Heaven Church, Madhanakuppam – Visited on July 19

Vedha, Subham Women’s Hostel, Ambattur – Visited on July 19

Community College, Ambattur – Visited on July 19

Alumni Outreach – Mobilization through phone follow-ups targeting AVC alumni

This mobilization drive underscores DBV-TMF AVC WCCP’s commitment to providing valuable educational and career opportunities to the local community. By actively engaging with various community groups and institutions, the center aims to attract a diverse pool of candidates for Batch 3, empowering them with the skills and knowledge necessary for future success.

The initiative not only highlights the center’s dedication to education and workforce development but also reflects its role as a catalyst for positive change within the community. Through continued outreach and collaboration, DBV-TMF AVC WCCP is paving the way for a brighter future for its students and the broader community.

DBV – Quest Alliance

Quest Alliance Mobilizes to Meet 2024 Training Goals

Don Bosco Vazhikaatti, in collaboration with Quest Alliance, is on track to achieve its ambitious goal of training 140 students in 2024. With a successful track record of training 31 students in Batch 1, the alliance has already surpassed its halfway mark of 84 students trained by this point in the year. Currently, 85 students are registered for Batch 2, with an additional 27 students expressing interest, leaving a shortfall of just 26 students to meet the target.

To close this gap, the organization is employing a variety of innovative mobilization strategies, including visiting slum areas, collaborating with Child Welfare Committees in hostels and schools, leveraging social media platforms, and conducting roadside and door-to-door campaigns. Alumni students also play a crucial role, helping to spread the word and encourage more students to join.

These efforts underscore the dedication of Don Bosco Vazhikaatti and Quest Alliance to providing quality education and skills training, ensuring that young individuals are well-prepared for the challenges of the modern workforce. The program's success is not only a testament to the hard work of its organizers but also to the enthusiasm and commitment of its participants. With just a few more students needed to reach the goal, the alliance is confident that they will meet and perhaps exceed their expectations for the year.

Current Training Batch Progress at Don Bosco Vazhikaatti

As part of its ongoing commitment to student success, Don Bosco Vazhikaatti is making significant strides in its current training batches for 2024, in collaboration with Quest Alliance.

Batch 1 has seen a total of 36 students enroll, with 31 actively participating in the program. Unfortunately, 5 candidates are currently inactive, but efforts are being made to re-engage them. On a positive note, 10 candidates from this batch have already been successfully placed in various roles. Additionally, 5 students have chosen to pursue higher studies, demonstrating the batch's diverse aspirations.

Batch 2 has commenced with 18 students already enrolled in the admin panel, ready to embark on their training journey.

The chart provided visualizes the distribution and status of candidates in Batch 1, highlighting the program's effectiveness in placing students and supporting higher education pursuits. This progress reflects Don Bosco Vazhikaatti's dedication to empowering students with the skills and opportunities needed to thrive in their careers. As the training continues, the organization remains focused on enhancing student outcomes and achieving its educational goals for the year.

Placement Activities and Success at Don Bosco Vazhikaatti

Don Bosco Vazhikaatti, in collaboration with Quest Alliance, is proud to announce the success of its recent placement activities, demonstrating a strong commitment to preparing students for successful careers.

During a market scan exercise, students independently searched for job opportunities and attended interviews, resulting in three successful placements. One candidate secured a position through a hackathon event facilitated by JOBS HAI. The organization conducted two mock interview sessions with MMC InfoTech and Peak Finder, resulting in one candidate being placed as an HR Associate at Peak Finder. A mini job drive was organized in collaboration with Qness Corp, further enhancing the students' employment prospects.

Additionally, five guest lectures were held, focusing on current job market trends, effective self-introduction techniques, and skill mapping for various job roles. These activities highlight Don Bosco Vazhikaatti's dedication to equipping students with the necessary skills and knowledge to excel in their chosen fields. Through these initiatives, the institution continues to foster a supportive and dynamic learning environment, ensuring that students are well-prepared to meet the demands of the modern workforce.

Quest Alliance Team Visit Strengthens Partnership with Don Bosco Vazhikaatti

On July 9th, the Quest Alliance Team paid a visit to Don Bosco Vazhikaatti, marking a significant step in strengthening the collaboration between the two institutions. The visit was aimed at engaging with students and faculty to explore innovative educational strategies that align with the goals of both organizations.

During the visit, Quest Alliance representatives interacted with students, discussing various topics related to education, career development, and skill-building. This engagement provided students with valuable insights into the latest educational trends and technologies, emphasizing the importance of aligning their studies with industry demands.

Faculty members also had the opportunity to exchange ideas with the Quest Alliance Team, focusing on enhancing teaching methodologies and integrating technology into

the curriculum. The discussions centered on creating a learning environment that fosters critical thinking, creativity, and problem-solving skills among students.

The visit underscored the commitment of both Don Bosco Vazhikaatti and Quest Alliance to empowering students with the knowledge and skills needed for future success. By collaborating on innovative educational strategies, the partnership aims to bridge the gap between education and employability, ensuring that students are well-prepared to meet the challenges of the modern workforce.

This visit also set the stage for future collaborations and initiatives that will further strengthen the bond between Don Bosco Vazhikaatti and Quest Alliance. Both organizations are dedicated to providing quality education and training opportunities to underprivileged youth, paving the way for a brighter future. Overall, the Quest Alliance Team's visit was a resounding success, reinforcing the shared vision of creating impactful educational experiences for students and fostering a culture of continuous learning and growth. As the partnership continues to evolve, both Don Bosco Vazhikaatti and Quest Alliance remain committed to transforming the educational landscape and empowering the next generation of leaders.

Wells Fargo Conducts Volunteering Session on AI Tools for Entry-Level Jobs

On July 26th, Wells Fargo conducted a highly informative volunteering session focused on "AI Tools for Entry-Level Jobs." This event, held at Don Bosco Vazhikaatti, aimed to equip students with essential knowledge about the growing impact of artificial intelligence in the job market and how they can leverage these tools to enhance their career prospects.

During the session, Wells Fargo representatives introduced students to various AI tools and technologies that are increasingly becoming integral to modern workplaces. The presentation highlighted how AI can be utilized to streamline tasks, improve efficiency, and offer innovative solutions to common workplace challenges. Students were given demonstrations of specific AI applications that are relevant to entry-level positions, providing them with a practical understanding of how these tools can be applied in real-world scenarios.

The session also covered key areas such as resume building with AI, automated interview preparation, and data analysis, emphasizing how AI can boost job readiness and skill sets. By showcasing the practical uses of AI, the session aimed to demystify technology and encourage students to embrace digital tools as a means to stay competitive in today's job market.

Feedback from the participants was overwhelmingly positive, with many expressing appreciation for the opportunity to gain insights into AI's role in career development. The session not only increased their awareness of AI technologies but also inspired them to explore and incorporate AI tools in their personal skill-building endeavors.

The collaboration between Wells Fargo and Don Bosco Vazhikaatti in organizing this event reflects a shared commitment to empowering youth with the skills necessary for success in a tech-driven world. By focusing on AI tools, the session aligned with the center's mission to provide students with cutting-edge knowledge and practical skills, thereby enhancing their employability and readiness for future challenges.

As the world of work continues to evolve, sessions like these play a crucial role in preparing

students for the demands of the modern workforce, ensuring that they are well-equipped to navigate and excel in their chosen career paths.

Quest Alliance Center Visit Highlights Commitment to Continuous Improvement

On July 29th, Quest Alliance concluded a month of transformative activities with a significant visit to the Don Bosco Vazhikaatti center. This visit underscored the strong partnership between the two organizations and their shared commitment to enhancing educational programs through continuous feedback and improvement.

During the visit, the Quest Alliance team engaged with faculty members and students, observing the ongoing programs and initiatives that have been instrumental in shaping the career paths of young learners. The team's visit provided an invaluable opportunity to assess the effectiveness of the current curriculum and teaching methodologies.

Faculty members showcased various programs designed to equip students with skills for the modern workforce. These included sessions on digital literacy, career readiness, and vocational training, all aimed at empowering students with the knowledge and tools they need to succeed in their careers. The Quest Alliance team offered constructive feedback and suggestions, highlighting areas of strength and identifying opportunities for further development. Their insights were welcomed by the Don Bosco Vazhikaatti staff, who are dedicated to continually refining their approach to education and skill-building.

Students also had the chance to interact with the Quest Alliance representatives, sharing their experiences and aspirations. This interaction provided the students with motivation and a broader understanding of how their education aligns with industry needs. The visit culminated in a collaborative session where both organizations discussed future initiatives to enhance the educational experience. Plans were made to introduce more advanced technology-driven modules, ensuring that students remain competitive in an ever-evolving job market.

This visit reinforced the strong bond between Don Bosco Vazhikaatti and Quest Alliance, demonstrating their mutual dedication to providing high-quality education and training. By fostering an environment of continuous improvement, both organizations aim to prepare students for successful careers, contributing positively to the community and beyond. The Quest Alliance Center Visit on July 29th stands as a testament to the power of collaboration in education, showcasing how partnerships can drive progress and innovation, ultimately benefiting students and educators alike.
