Director's Message

Dear Friends,

March was a month of meaningful progress and renewed energy at Don Bosco Vazhikaatti. We continued our mission to empower youth through skill training, career guidance, and job placement support. Our students actively participated in workshops, interviews, and life skills sessions across centers. The career guidance initiatives for Class 10 and 12 students received an enthusiastic response. We were especially inspired by the stories of transformation and success from our alumni. Each story reminds us that guidance, opportunity, and encouragement can change lives. Our partnerships with industries and institutions also grew stronger this month.

Special thanks to our dedicated trainers, coordinators, and volunteers for their tireless service. March also marked our focused outreach towards underserved communities in Tamil Nadu and Puducherry. We aim to ignite a spark in every young person to dream, act, and succeed. As we step into a new month, let us carry forward the spirit of hope and determination. Together, let us build a future where no young person is left behind.

Thank you for being a part of this journey.

Warm regards,

Fr. Joe anand SDB
