ABOUT US

Director's Message

Dear DBV Family,

As we welcome the month of June, I find myself reflecting on how far we've come together this year. Time is flying, and yet each day here at DBV reminds me of the quiet, meaningful impact we continue to make in the lives of young people.

June brings with it a fresh energy—the start of a new academic year for many, and a reminder that learning, growing, and dreaming never really stop. I've seen it in our students' eyes, in the dedication of our trainers, and in the simple conversations that happen in our classrooms and offices. These moments are powerful. They are what DBV is all about.

Let's take a moment to pause—not to look back in regret or ahead in anxiety but to appreciate where we are now. We've touched lives. We've helped someone believe in themselves. That matters.

As we move forward, I invite each of you to stay connected to your purpose here. Let's continue to lift one another up, to share ideas openly, and to celebrate the small wins that pave the way for big changes.

Thank you for your heart, your work, and your belief in our mission. Let's keep growing—together.

With gratitude, Fr. Joe anand SDB Director, Don Bosco Vazhikaatti
