#### ST.JOSPEH ITI, BASIN BRIDGE

#### St.Joseph Industrial Training Centre, Basin Bridge

St.Joseph Industrial Training Centre run by the Salesians of Don Bosco, was first started at Tirupattur by Rev.Fr.Carreno sdb. The Institute then had six trades - Cabinet making, engineering, Welding, Printing, Tailoring and Photography. It was originally started for the training of students aspiring to join the Salesian society.

Later in 1950, under the direction of Dr. Louis Mathias, Archbishop of Madras -Mylapore, it was shifted to the present site and more new machines were added with the combined purpose of training the aspirants and helping the poor boys of Madras city. On 9th November 1950 the Wood - Works Department was transferred, together with the then students to the present site. Exactly a month later the Engineering Department, excepting Tailoring and Photography was established at the present location. In the year 1969, due to expansion and lack of space, the Printing Department was shifted to 49, Taylors Road, Kilpauk. Since 1951, the Technical Institute has served the poor youth.
