ABOUT US

Don Bosco Vazhikaatti (DBV), part of the Salesian Province of Chennai, focuses on the vocational dimension of youth ministry. Operating across Puducherry, the Andaman and Nicobar Islands, parts of Tamil Nadu, and Fujairah in the UAE, DBV aims to guide youth, particularly in rural areas, towards fulfilling careers.

Founded on September 17, 1997, DBV emphasizes career guidance, training, and job placements. It operates eight sub-centres in Tamil Nadu, extending its reach and impact. Inspired by Saint John Bosco's dedication to the welfare of youth, DBV creates an inspiring learning environment, equipping young people with essential skills and knowledge for personal and professional success.

DBV's mission is to instill positive mindsets and essential values in underprivileged youth, helping them become productive and responsible citizens. Its holistic approach ensures comprehensive support for young people, enabling them to thrive in a dynamic world. The organization's expanding network and dedicated mission continue to empower youth, shaping the future one individual at a time.

Department of Training

Magic Monday

On June 2, 2025 DBV SMART Perambur hosted a vibrant Magic Monday under the theme "Youth". The session began with engaging connection-building activities that encouraged interaction among students. A lively energizer session by Team "Genez" uplifted the energy and enthusiasm of the gathering. Students showcased their talents through group singing and dynamic dance performances. The celebration created an environment of positivity, creativity, and collaboration. Dressed in blue, participants symbolized unity and youthful spirit throughout the event.

ROLE PLAY PREMIUM TECHIE TEAM

On June 3, 2025 students from DBV SMART Perambur participated in a roleplay session during their Workplace Readiness (WPR) class. Team Premium Techies enacted workplace challenges resulting from employee irresponsibility and lack of ownership. The activity emphasized the critical values of accountability, teamwork, and professional ethics. Through this interactive classroom event, students learned the impact of individual behaviour on team performance.

Guest lecture by Mr. Joel Prabhu

On June 4, 2025 a guest lecture on "Job Search Techniques" was delivered by Mr. Joel Prabhu at DBV SMART Perambur. He shared his inspiring professional journey, offering students valuable real-world insights. The session focused on understanding core vs. non-core job roles and related career opportunities. Students learned how to choose a suitable career path and tailor resumes accordingly. Mr. Prabhu emphasized the value of internships and skill-based courses in building employability. He also guided students on staying active on LinkedIn, Naukri, and other professional platforms. The session empowered students to take informed steps towards their career goals.

Role play by Team Phoenix

On June 5, 2025 during the Workplace Readiness (WPR) class, Team Phoenix presented a roleplay on Customer Dissatisfaction. The session explored how poor service experiences are expressed through phone calls, emails, and physical visits. Students acted out real-world situations where customer concerns were mishandled or ignored. The activity emphasized the need for empathetic communication, timely responses, and professionalism. Each mode highlighted how communication style and response time influence customer trust.

Flash Mob Theme - Youth Power -Voice of Future

On June 9, 2025 DBV SMART Perambur hosted a lively Flash Mob under the theme "Aim. Aspire. Achieve." Students surprised the staff with an energetic performance featuring joyful dance and group singing. The event created a positive and festive atmosphere, drawing applause and engagement from all present. It served as a platform for students to express creativity, teamwork, and self-confidence. The spontaneous celebration highlighted the spirit of youth empowerment and collaboration. Participants demonstrated coordination, rhythm, and enthusiasm, making it an unforgettable experience. The flash mob was not only entertaining but also an inspiring start to the week.

MAGIC MONDAY a weekly talent showcase

From June 10 to 20, 2025, interns from SRM University conducted a 10-day workshop on SQL and Aptitude at DBV SMART Perambur. The program combined technical training in SQL (DDL, DML, DCL, TCL) with placement-focused aptitude sessions. Students engaged in daily hands-on practice, including problem-solving tasks and query writing. Each session was structured to strengthen logical reasoning, number systems, and data handling skills. Interns ensured the learning was interactive and paced for both beginners and intermediate learners. Frequent assessments and exercises helped students build confidence and industry readiness.

Aptitude Class

Batch Id's 10034,10035,10036

As part of the 10-day SQL and Aptitude Workshop (June 10-20, 2025), structured aptitude sessions were conducted daily. The sessions covered core placement topics like Number Systems, Profit & Loss, Ratios & Proportions, and more. Logical reasoning areas such as Direction Sense, Coding-Decoding, Blood Relations, and Cause-Effect were emphasized. Daily exercises were shared via Google Forms at 4 PM, promoting continuous practice and self-assessment. Students developed confidence in problem-solving and time management techniques. The training was designed to simulate real-time aptitude tests used in corporate hiring processes.

TMF-VISIT

BY MR. ARUL, ASSOCIATE MANAGER

On June 17, 2025 Mr. Arulraj, Associate from Tech Mahindra Foundation, visited DBV SMART Perambur. He conducted an interactive session with Batch 1 of FY 2025-2026, focusing on course engagement. Mr. Arulraj emphasized the value of maintaining regular attendance and active participation. He encouraged students to make the most of available learning resources and mentorship. The discussion highlighted the long-term benefits of consistent learning habits. He also stressed the importance of alumni involvement in building a supportive learning ecosystem. The session was well received and inspired students to stay committed to their training journey.

Table Board Interview

From June 24 to 26, 2025 a structured Table Board Interview was held for MIS Batch 10036 at DBV SMART Perambur. The initiative aimed to prepare students for real-time interview scenarios through a simulated panel experience. A total of 22 students participated and were evaluated on multiple professional competencies. Key assessment areas included self-introduction, communication skills, subject knowledge, and confidence. Interviewers provided individual feedback, helping students identify strengths and areas for improvement. The activity boosted students' readiness for actual job interviews and corporate screening rounds. It served as a valuable step in developing presentation skills and interview etiquette.

TMF - Internal Auditing Inspection Zoom meeting

On June 24, 2025 An internal auditing Zoom meeting was organized by Tech Mahindra Foundation for partner teams from South and East regions. The session was attended by Ms. Sindhu and Mr. Kevin (Accountant) from DBV SMART Perambur. The focus of the meeting was on refresher training related to operational protocols and compliance. Key discussions included Annexure formats, Standard Operating Procedures (SOPs), and audit readiness. The objective was to ensure consistent SOP adherence and accurate documentation practices across centres. Participants gained clarity on reporting standards and improved their understanding of audit expectations.

Mock Interview By Ms. Arularasi, JPN

On June 25, 2025 a Mock Interview session was conducted by Ms. Arularasi for Batch 10034 at DBV SMART Perambur. A total of 17 students took part in this pre-demo activity to simulate real-time interview settings. The session aimed to enhance student confidence and improve placement readiness. Participants were evaluated on self-introduction, communication, subject knowledge, and presentation skills. Constructive feedback was shared to help students refine their responses and professional demeanor. The experience enabled students to identify areas of improvement and prepare effectively. This session was a key initiative in strengthening their interview skills and job market adaptability.

NSDC- Inspection

On June 25, 2025 an official NSDC Inspection was carried out at DBV SMART Perambur by Mr. Rufus from NSDC. The inspection focused on conducting due diligence of the centre's infrastructure, processes, and documentation. Various aspects such as training delivery, student engagement, and compliance standards were reviewed. Mr. Arulraj, Associate from Tech Mahindra Foundation, was also present during the inspection. The visit aimed to ensure the centre meets NSDC's quality benchmarks and operational protocols. Inspectors interacted with staff and reviewed key records related to training, attendance, and assessments. The session reinforced the importance of transparency, readiness, and SOP adherence.

Yuva & Basic It Exam - MIS Batch-2

On June 25, 2025 YUVA English and Basic IT assessments were conducted for Batch-II at DBV SMART Perambur. These exams were designed to evaluate students' language proficiency and digital literacy. A total of 25 out of 30 students successfully completed the assessments. The Basic IT exam focused on foundational computer skills essential for workplace readiness. The YUVA English assessment tested grammar, vocabulary, and communication abilities. The results will help trainers customize learning plans based on individual performance levels. This evaluation is a key step in tracking progress and preparing students for future placements.

PLACEMENT ASPIRATION FOR THE CURRENT BATCH - Q1 25-26

As of June 27, 2025 the Placement Orientation for the current batches has been successfully completed. Students received guidance on job portals, resume building, and strategic application methods. The placement documentation process is currently underway and being compiled via Google Drive. Simultaneously, students are filling out the Placement Aspiration Google Form to capture their career interests. These steps are essential to align student profiles with relevant job opportunities. The data collected will support the creation of personalized placement plans and follow-ups. The process ensures structured and goal-oriented placement readiness for all students.

SAC Activity lake cleaning at korattur lake

On June 28, 2025 DBV SMART Perambur organized a community clean-up drive at Korattur Lake as part of its SAC initiative. A total of 3 alumni and 22 students from the Perambur and Ambattur centres actively participated in the event. The session was led and energized by Ms. Dharani, a DBV Perambur alumna from FY 2021. She delivered an inspiring address on youth responsibility and environmental awareness. Participants cleaned the lake surroundings and successfully collected four large bags of waste. The activity fostered a strong sense of civic duty, teamwork, and environmental stewardship. It reinforced the centre's commitment to holistic education and social responsibility.

World Environment Day with SCC and current batch students

On June 5, 2025, DBV TMF Smart Broadway celebrated World Environment Day with SCC and current batch students. The event highlighted our dedication to environmental responsibility and active student involvement. Saplings were distributed by Assistant Director Fr. Lourduraj to student volunteers. Students eagerly took part in a sapling planting activity promoting ecological balance. An awareness rally was held around the campus with active student participation. The rally emphasized our shared duty to protect nature. Together, we planted hope for a greener tomorrow!

Fun Friday

On June 20, 2025 A vibrant and energetic Fun Friday Activity Day was conducted at DBV TMF Smart Broadway. Students enthusiastically stepped out of their comfort zones and actively participated in a variety of engaging activities. The day was filled with laughter, learning, and teamwork – helping students build confidence and communication. Moments like these remind us that learning can be fun too.

International Yoga Day

On June 21, 2025 DBV TMF Smart Broadway proudly celebrated International Yoga Day with a vibrant and engaging session led by our esteemed resource person, Mr. Nirmal (M.Sc Yoga, M.Phil Yoga, M.Sc Psychology). His expert guidance introduced our students to the physical, mental, and emotional benefits of yoga. The students enthusiastically participated and truly enjoyed the session, making the celebration a memorable one! Let's continue to embrace the spirit of yoga in our daily lives for a healthier and balanced future.

Monthly Magic Job Drive

On June 21, 2025 DBV TMF Smart Broadway successfully organized our Monthly Magic Job Drive in collaboration with Muthoot Finance. A total of 12 students participated in the drive, showcasing their skills and confidence. We are proud to share that 5 students received spot offers and have been selected on the same day. 2 students joined.

International Day against Drug Abuse

On June 26, 2025, DBV TMF SMART Broadway Centre observed the International Day Against Drug Abuse with an impactful awareness program. The event saw active participation from SMART and SCC students, promoting a drug-free lifestyle. Chief Guests Mr. Karunakaran and Mr. Jayakanthan from N3 Police Station delivered inspiring messages. They were joined by four police officers who supported the event wholeheartedly. After the session, students led a 4-kilometre rally, spreading powerful anti-drug slogans. The rally captured the attention of the local community and reinforced the message of prevention. Students felt proud to contribute to such a meaningful cause.

Flashback Friday

On June 27, 2025 DBV TMF Smart Broadway conducted Flashback Friday brought laughter, bonding life lessons. We conducted an engaging "Pass the Ball" music activity, where students passed a ball while music played. When the music stopped, the student holding the ball shared their happiest and saddest moments in life. The activity created a safe and open space for students to express their emotions, connect with each other, and understand that everyone faces ups and downs. Our trainers beautifully concluded the session by sharing motivational stories and positive ways to transform sadness into happiness, encouraging students to stay strong, hopeful, and solution-oriented.

Guest Lecture - HTML, CSS, JavaScript, and MySQL

Mr. Surinam, Senior Processor at Exela Technologies, conducted an insightful webinar on core web development technologies. The session covered HTML, CSS, JavaScript, and MySQL, offering a full-stack development overview. He explained how HTML structures content, CSS styles design, and JavaScript adds interactivity. Participants also learned about MySQL and its role in database integration with websites. Real-time examples enhanced understanding and made the session engaging. Mr. Surinam demonstrated how these technologies combine to create responsive, dynamic websites. Students actively interacted, clarifying doubts and gaining practical knowledge.

Placement Visit Exela Technologies

On June 6, 2025 Ms. Sindhu, the Center Manager, and Mr. Joseph from the Placement Team organized a company visit for students. They accompanied the students to the interview venue located in Kilpauk. A total of 16 students from the Q4 batch participated in the event. The visit aimed to provide real-time exposure to the corporate interview process. Students were guided on professional behavior and interview etiquette. The team ensured all participants reached the location on time and were well-prepared. Such industry visits bridge the gap between academic learning and employment. The initiative was appreciated by students and will support better placement outcomes.

World Environment Day

On June 13, 2025 as part of World Environment Day celebrations, students actively participated by bringing seeds on their own. They prepared seed balls and thoughtfully distributed them to all staff members in and around the college. This eco-friendly initiative aimed to promote greenery and environmental awareness. Students were enthusiastic about contributing to a sustainable future through this small yet impactful activity. The process involved mixing soil, compost, and seeds to create biodegradable seed balls. Each seed ball was handed over with a brief explanation of its purpose and planting method. Staff members appreciated the students' effort and showed interest in supporting the cause.

Mobilization @ Madhar Sangam

On June 23, 2025 Ms. Kalai Selvi carried out a community mobilization visit to the Madhar Sangam as part of outreach efforts. She interacted with the women members and introduced them to the various skill development courses offered. She focused on the importance of education, up skilling, and career opportunities for women. She explained how the courses can empower them economically and socially. Real-life success stories of previous students were shared to motivate the group. The women showed keen interest and raised several questions about course duration and placement support. Pamphlets and brochures were distributed to help them understand the course structure.

Drug Addiction Awareness Mr. Neethi Manickam

On June 25, 2025 Mr. Neethi Manickam conducted a guest lecture on the occasion of Drug Addiction Awareness Day. The session was organized for Batch 1 and Batch 2 students to educate them about the harmful effects of drug abuse. He highlighted the psychological, physical, and social consequences of addiction. Real-life examples and case studies were shared to create a deeper impact. Students were encouraged to stay informed and support peers in making healthy choices. Preventive measures and available support systems were also discussed during the session. The session was interactive, with students actively participating and asking questions.

Job Search -Mr Joel Prabhu

On June 26, 2025 the session was organized by Mr. Joel, a SMART alumnus, who visited the AVC Center to guide students. He conducted an insightful session on Job Search strategies, LinkedIn profile building, and Interview Preparation. Mr. Joel shared practical tips on how to effectively search for jobs and apply through various platforms. He emphasized the importance of maintaining a professional LinkedIn profile to attract recruiters. The session also included common interview questions and techniques to answer them confidently. Real-life experiences and success stories were shared to inspire and motivate the students. Students actively engaged in the session, asking questions and seeking guidance.

HTML, JAVA SCRIPT, CSS, MY SQL Worship by Mr. Suriya

On June 26, 2025 Mr. Suriya conducted a workshop for the students on SQL, JavaScript, CSS, and HTML. The session was informative and helped students understand web development fundamentals. He explained coding concepts with practical examples to enhance learning. Students actively participated and clarified their doubts during the session. Mrs. Nagalakshmi, the Guest of Honour, appreciated Mr. Suriya's efforts. She felicitated him for his valuable contribution to student development.
