PERFORMING ARTS

If you can dream it, you can do it...

COURSE DESCRIPTION

Performing Arts is a form of art in which artists use their voices or bodies, often about other objects, to convey artistic expression. Performing arts include several disciplines, each performed in front of a live audience. Degrees focusing on performing arts are convenient and require participation in cutting-edge practices, preparing you to enter a highly competitive industry.

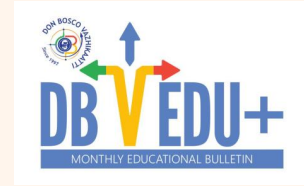

Be it Classical or Western, an expert in dance can choose to be a dance teacher or trainer at Schools or Private Organizations or individually choreograph the trainees in their specialized dance form. Singing Professionals, like Dance Professionals, also have a broad scope and choice selection for their Careers. They are performing Music – Singing or playing an instrument for live audiences and recordings, being a music trainer in your specialized field – Classical or Western in vocal or instrumental, playing back singing, creating your band, etc. A professional in Theatre has the talent to portray real emotions and trigger the audience's conscience in a very creative way. On the other hand, theatre directors can bring their scripts to life by working with the people involved to connect with the audience very closely.

The Career scope for Performing Arts has now widened. Therefore, many institutes have now introduced various programs in Performing Arts, providing training and knowledge to future talents in this field.
